; ; ; [Chinese shoes Network - Brand News] May 4, Reuters reported that Adidas an important investor said, because the company failed to narrow and competitor market share gap Nike, Adidas shareholders may reject support management.

Ingo Speich

Union Investment fund manager told the "Frankfurter Allgemeine Zeitung", □□□ failed to narrow the gap with Nike, he lost

confidence in the company's management.

"Even in Germany, in the European market, Nike is also wrest market share from Adidas hands."

Adidas holds 0.89% stake, ranked tenth largest shareholder of a fund investors said Adidas Annual General Meeting on May 8 will be held on, investors may not be customary for management action to give recognition.

"Nike over Adidas positive, in this case, it is difficult to understand why the Supervisory Board will also CEO Herbert? Heiner (Herbert Hainer) contract extension for two years."

Adidas March it was announced that Heiner's term of office ends in March 2017.

Speich said that if management does not change, Adidas 2015 target unrealistic.

Adidas shares fell to a year low last month, but its 2015 sales target of 17 billion euros (\$ 23.4 billion), operating margin target of 11%. Taking into account the 2014 operating margin target level of 8.5% to 9%, and in 2013 the sales fell 3 percent to 14.5 billion euros, the 2015 target is too ambitious.

Adidas March warned that emerging market currencies weaken, especially Russia rupee fall, could affect 2014 results and 2015 targets pose a risk, even though sales may be boosted by the World Cup.

Meanwhile, rival Nike, Adidas being eroded local market in Europe, and challenge the Adidas football market dominance. Nike's 2015 sales target of 36 billion US dollars, compared to the 2013 fiscal year, \$ 25.3 billion has greatly improved.
